

II. POSTERS

Yvonne Bone & Rolf Schmidt

Basal attachment structure of *Nudicella cribriforma* Schmidt & Bone in the Miocene of Tasmania, Australia, and its similarity to Modern *Adeona* spp. from southern Australia.

Linda Deer & Yvonne Bone

Bryozoan-sponge associations to bryozoan stable carbonate lithoskels and silica spicules accumulations, to friable limestones with flint layers.

Andrej Ernst

Lower Carboniferous Bryozoa from some localities in Sauerland (Germany).

Tea Gluhak, Peter Hayward, Ivan Cvitkovic, Jane E. Lewis & Alexander Popijac

Bryozoan fauna of Green Island, Taiwan – six new species for science.

Eckart Håkansson, Silvio Casadío & Sven Nielsen

Biogeography and phylogeny of the free-living bryozoans in the Miocene of South America.

Amalia Herrera-Cubilla & Félix Rodríguez

Morphological description of the setae of four species of the family Cupuladriidae from both sides of the Isthmus of Panama.

Victoria B. Holmes & Mary Spencer Jones

A review of the effects of heavy metal toxicity in freshwater Bryozoa.

Jürgen Kaselowsky & Joachim Scholz

Bryozoans and Bryozoa-associated fungi from Galapagos Deep Sea.

Carlos M^a López-Fé

Cheilostomate Bryozoa from the Bellingshausen Sea (Western Antarctica): results of the BENTART 2003 Spanish expedition.

Virginia E. Miller

Measuring and analysing morphological complexity in cheilostome bryozoans.

Hans Arne Nakrem.

Fossil Bryozoa from Svalbard (Arctic Norway) – a research history.

Arturo H. Navarrete, Juan M. Cancino, Hugo I. Moyano & Roger N. Hughes

Non-reproductive compatibility and morphologic differentiation in *Celleporella hyalina* (Linnaeus 1767) (Bryozoa, Cheilostomata) along the Chilean coast.

Aaron O'Dea & Jeremy B.C. Jackson

Coastal seasonality during closure of the Isthmus of Panama

Andrew N. Ostrovsky & Paul D. Taylor

Ovicell development in the early calloporid *Wilbertopora* (Bryozoa: Cheilostomata) from the mid-Cretaceous of the USA.

June R. P. Ross & Charles A. Ross

Bryozoans near the Ordovician/Silurian Boundary.

Priska Schäfer, Beate Bader & Elena Nikulina

Growth pattern and life cycles of the bryozoan *Flustra foliacea*: A comparison of North Sea and Baltic Sea populations.

Priska Schäfer & Beate Bader

The genus *Myriapora*: Pathways of evolution.

Mary Spencer Jones.

History of freshwater bryozoology in the United Kingdom and Ireland.

Mary Spencer Jones, JoAnn Sanner & Carmen S. Thomas

Bryozoan exchange: Bassler and Hastings.

Maria Illuminata Taticchi

Freshwater Bryozoa of Italy I - A survey of the Italian bryozoan collection of A. Viganò.

Laís Vieira Ramalho & Guilherme Muricy

Bryozoans from Sepetiba Harbour, Rio de Janeiro, Brazil.

Oliver Weidlich, Andrej Ernest & Priska Schäfer

Early Permian reefs from the southwestern Tethys (Batain region, Sultanate of Oman)
- Cool-water evidence confirmed by bryozoan paleogeography, biotic composition,
and reef taphonomy.

Anna C. L. Wood, P. Keith Probert & Abigail Smith

Biodiversity of epifauna associated with bryozoan thickets from Otago Shelf, south-eastern New Zealand.

Timothy S. Wood

Phylactolaemate bryozoans and a new freshwater entoproct from Asia.

Patrick N. Wyse Jackson & Dino Gandara Rai.

Bryozoan settlement in borings of the Common Piddock (*Pholas dactylus*) from the east coast of Ireland.
